

## A white, oval-shaped electronic device, likely a network switch or router, is shown. It features a label at the top with the text "MAC:000CCC753A5C" and a barcode. Below the label is a small, circular LED indicator. The device has a large, circular, recessed area in the center, which contains the "Extronics" logo and a stylized blue graphic of concentric arcs. The device is placed on a dark, textured surface.
